

Multilateral Trade Measures in Post-2012 Scenarios

**International Workshop on Post-2012 Climate and
Trade Policies**

September 8-9, 2008, Geneva

Aaron Cosbey, IISD

Outline of key points

- Multilateral trade measures in the WTO
 - Multilaterally agreed trade policy changes
 - Multilateral agreement on when and how to use nationally imposed trade measures
- Multilateral trade measures in the post-2012 climate regime
 - Is there useful guidance we can glean from the Montreal Protocol experience?
