

## **DRAFT AGENDA**

**30 November 2009**

### **4th RIM Preparatory Meeting on Sustainable Consumption and Production**

**Salle VII**

**Palais des Nations, Geneva**

**Languages: English, French, Russian**

#### **Objectives of the Meeting**

This meeting aims to facilitate the preparation of the contribution from the UNECE region to CSD 18, and ultimately to the 10 Year Framework of Programmes on Sustainable Consumption and Production (SCP). The meeting will also reflect on barriers and priorities for achieving SCP, and on lessons learnt/best practices on policies and programmes at regional and sub-regional levels for supporting the shift to SCP.

The Participants of the meeting will:

- Identify the regional and sub-regional SCP priorities; and
- Discuss and formulate the UNECE region's input to the 10 Year Framework of Programmes on SCP.

The conclusions of the workshop will be presented to the UNECE RIM Meeting (1-2 December 2009).
